### 105TH CONGRESS 1ST SESSION

# H. R. 1234

To require States to equalize funding for education throughout the State.

### IN THE HOUSE OF REPRESENTATIVES

April 8, 1997

Mr. Fattah introduced the following bill; which was referred to the Committee on Education and the Workforce

## A BILL

To require States to equalize funding for education throughout the State.

- 1 Be it enacted by the Senate and House of Representa2 tives of the United States of America in Congress assembled,
  3 SECTION 1. SHORT TITLE.
  4 This Act may be cited as the "Equal Protection 5 School Finance Act".
- 7 The Congress finds the following:

SEC. 2. FINDINGS.

6

8 (1) There are systems of public school finance 9 within States which subject American children to 10 educations of radically varying and grossly unequal 11 quality solely on the basis of where they live.

- 1 (2) Agreement with the unanimous Supreme 2 Court decision of Brown v. Board of Education 3 which stated: "In these days, it is doubtful that any 4 child may reasonably be expected to succeed in life 5 if he is denied the opportunity of an education. Such 6 an opportunity, where the State has undertaken to 7 provide it, is a right which must be made available 8 to all on equal terms.".
  - (3) Education is a fundamental right under the equal protection clause of the United States Constitution.
- 12 (4) The provision of education to all children 13 within a State on an equal basis, including equality 14 of financial resources, is fundamental to the equal 15 protection of laws.
